I recommend this book to a person who likes action and adventure. This is found in the library.

Hakeem is a character in this story who does not want to move to detroit because his annoying cousin is their. Hakeem moves to detroit, but finds out it's not that bad. But Hakeem's cousin Savon, is getting a lot of money. Hakeem thinks he is doing something. Hakeem meets this girl Anika and she is in trouble. Why is she in trouble? What is Savon doing at night? I guess you need to read the book to find out.
