The Maze Runner

By: James Dashner

Genre: Action/Mystery/Adventure

I recommend this book to this book who likes mystery, action, and anticipation. You can find this book in the DLMS library and I think you can find it in the Caledonia public library.

This book is about a boy name Thomas and when he wakes up he doesn't know who he is, why he is there, or what's happening. He and everyone else inside the maze must try and find their way out, they live in a place called the Glade which is in the center of the maze. You may think it would be easy to solve a maze, but in this story, the walls are a hundred feet high. The maze changes at night, and if you stay out at night, well, lets just say no one has ever made it one night in the maze. Will they find their way out? Will they find the people who put them there? Find out by reading the Maze Runner.
