Nancy Drew: The Quest of the Missing Map

By: Carolyn Keene

Genre: Mystery

I recommend this book to a person who likes reading books about mysteries. The person should also like having great adventures. (Found in DLMS Library)

The main character of course in *The Quest of the Missing Map* is Nancy Drew. Nancy is investigating a small

music studio on the Chatham estate. She discovers that there is a connection between the mysterious happenings at Ship Cottage and her search for a treasure island. With only half of a map, Nancy sets out to find the man who has the rest of the map that will show the location of buried treasure. Constantly being threatened by danger, Nancy courageously outwits her enemies and solves one of the most challenging cases in her career as a teenage detective. How does she solve it? Read the book to find out!
