Where the Mountain Meets The Moon

Grace Lin

Fantasy

Can be found in KDL Library

I would recommend this book to anybody who likes fantasy books (Magical Creatures) and adventure books.

This book is about a girl named Minili, Minili and her family have a poor fortune. Minili's dad tells her a bedtime story about someone called The Old Man Of The Moon, who can grant anybody a wish, if you can find him, and Minili wanted to change their fortune. Minili sneaks out of the house one night and goes out on an adventure to find the Old Man Of The Moon. Read the book to find out what will happen to Minili, her family and their fortune.
