39 Clues Unstoppable

Mystery/adventure

Gordon Korman

I recommend this book to a person who likes books with a lot of action and a little mystery. This is found in the DLMS library.

In this book the Cahills are the most powerful family because they know the serum. One man named Pierce steals the serum that makes him the most powerful man. He is mass producing it and giving it to his servants too. The Cahills must stop him before he takes over the world, and kills them.
