Harry Potter and the Half-Blood Prince

By : J. K. Rowling

Genre : Fantasy

This is a book for people who love a good book that has cliffhangers and magic. While reading you will never be able to put this book down. This book is found in the Library.

Harry Potter is entering his 6th year at Hogwarts. But the world around him is going crazy, Voldemort is gaining strength, and killing the muggle world. Harry Potter finds out that Professor Snape has assumed the illustrious role of Professor of the Defense Against the Dark Arts, and he proceeds to make Harry's life miserable, making sure to give him detention whenever possible. This year the 6th years are learning to apparate. Harry loses a friend to an unexpected battle. It would seem that a war is at hand, and even Hogwarts isn't entirely safe. Will Harry be able

stop Voldemort from taking over the world? Read *Harry Potter and the Half Blood Prince* to find out.
