

The Candy Makers

By: Wendy Mass

Fantasy and Mystery

Found in KDL library and Mrs. Belotes room.

I would recommend this book to a person who loves fantasy and mystery. This book is about four kids, who never met each other, named Logan, Miles, Philip, and Daisey. They all are in a candy making contest to see who can make the best dessert. They all want to win it. They run into events that makes things a little harder. Read this amazing book to find out who will win the competition.
