Fablehaven

By: Brandon Mull

Genre: Fantasy

I would recommend this book to anyone who likes fantasy characters or action books. (Can be found in KDL and DLMS library)

In this book, Kendra and Seth Sorenson have to visit their Grandparents while their Mom and Dad go on a 17 day scandinavian cruise, Kendra and Seth figure out that their grandparents house is on a secret preserve called Fablehaven, one of the only seven in the world, Kendra and Seth must figure out how to save the preserve from the creatures, and possibly save the world.
