

## Zoei Kooiker Recommends..

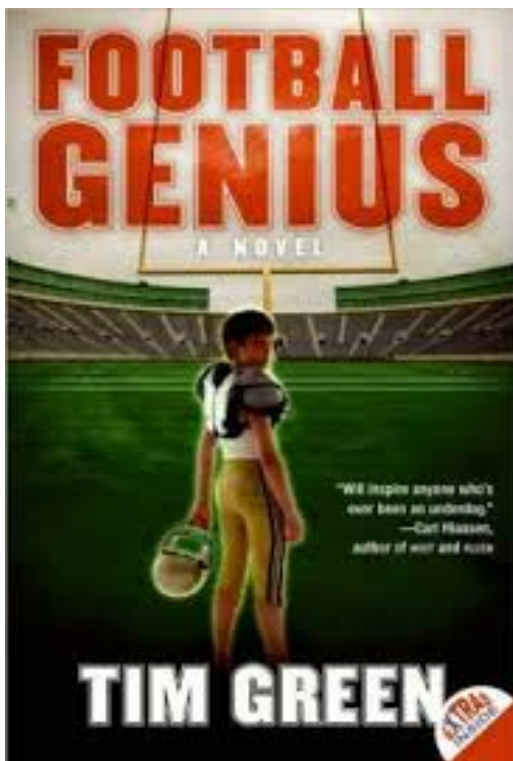

**Title: Football Genius**

**Author: Tim Green**

**Genre: Realistic Fiction**

**Who would like this book and why?**

**I think sports fans would love this book. If I were to tell the truth, this book is made for boys, just because its about football. That doesnt mean girls**

**can't read it, it just means that boys will probably enjoy it more. This book is about a kid who has an insane football talent. He is noticed by a professional football player when his mom gets a job for the team. Getting noticed by a professional football player may jeopardize his moms job and jeopardize the Falcons season. Read it to figure it out.**
