Girl, Stolen By: April Henry

I recommend this book to people that like realistic fiction books. It depends on the reader if they think it is fantasy or realistic fiction.

This book is about a 16 year old girl named Cheyenne Wilder who is sick with pneumonia and that's not the only trouble she faces she is blind as well. One day her and her step-mom are getting Cheyenne medicine. Just her stepmom goes in and in 5 minutes there car was stolen. Griffin who stole the car had no idea Cheyenne was in the car. Once he figures it out things get a little more difficult. Once Griffins family find out a little more about Cheyenne everything changes. Read *Girl, Stolen* to find out what Cheyenne is going through and if she gets out.
