How to Train Your Dragon

Cressida Cowell

Fantasy

First of all, this book is based on a small viking boy named Hiccup living on an island with other vikings. Hiccup has a friend named

Fishlegs, Fishlegs is the same size as him, skinny viking. When both boys go out to find their dragons they get pushed around these bullies same age as both of them. When Fishlegs and Hiccup go into the cave to get their dragon they both come out with a Basic Brown, or known as the most common dragon of all. All of the boys would have to train their dragons in 3 months of time or they would be executed from the island, forever. Will they train their dragons in time? Read the book to find out!
