Lies we tell ourselves

Robin Talley

Historical Fiction

I recommend this book to a person who  
likes books about interrogation and stories that are like Ruby Bridges  
Found on Amazon

In this book Sarah Dunbar, her sister Ruth, and a group of other black students try to attend the previously all-white Jefferson High School. An honors student at her old school, she is put into really easy classes, spit on and tormented daily. So far there is only one nice teacher, and no nice kids. Will Sarah and her friends survive high school and everything inside it, or will they get hurt and kicked out of school? Read this great book to find out.
