In this book the thirteen year old girl has a mom and a dad. The Girl is abused by her dad. Her dad tried to stop drinking but it was hard for him. She drew letters to this girl that helped her. She talked about her life. Then one day her younger brother was jumping up and down and grape juice flew onto his dads blueprints. His dad smashed a beer bottle on him. The dad was then taken away from them. The girl wanted her dad back. Read the book and find out what happened.
