The Uglies

Scott Westerfeld

Science Fiction

I recommend this book to a person who likes people that pull a ton of pranks at night and likes adventure. Found in the Library

The main character in The Uglies is a girl named Tally Youngblood, who technically is ugly right now and her best friend Paris just turned pretty so she has no one to hang out with. Tally makes a new friend who's name is Shay, and Shay ran away to a camp called The Smoke because she didn't want to turn pretty, but then Tally meets Special Circumstances they tell her that she needs to find Shay and make her come back so she can turn pretty or else TALLY can't turn pretty.
