Book: Running Out Of Time

Author: Margaret Peterson Haddix

Genre: Sci-Fi

I would recommend Running Out Of Time to someone who likes Sci-Fi books and something that has lots of plot twists. This book is about a girl named Jessie who is trying to save her village which is underground. There is a terrible disease that is spreading around her village that is causing children to die. Jessie's mother who is a doctor is trying to help the children. So in order to save the children she sends Jessie out of their village to get help. Will Jessie seek the help her village needs read the book to find out!
