Diary of a Wimpy Kid

Jeff Kinney

Realistic Fiction

I recommend this book to a person

who is interested in a humorous book that involves a kid going into Middle School. His name is Greg, he has a best friend named Rowley. Rowley is the immature one while Greg always tries to act cool.(Trust me he's not). In Greg's struggle to complete middle school while his best friend Rowley seems to do fine, he is put under a lot of pressure. His older brother Rodrick and his younger brother Manny seem to annoy the heck out of him and make matters even worse. While still already he is the smallest kid in middle school, well next to Chirag Gupta(the actual smallest kid in middle school) he gets picked on... a lot! Will Greg survive middle school? Read the book to find out!
