

KYLE HENNING RECOMMENDS... TEACHER'S

PEST

Don't be fooled by his friendly smile, his perfect manners, or his shiny red apple. Student council president Howard Mergler is actually an evil bug-monster in disguise—and he's summoning swarms of roaches, wasps, fleas, and head lice into the corridors of Lovecraft Middle School.

Twelve-year-old Robert Arthur is the only student who can stop him—but he'll need help from his best friends: the school bully, the school ghost, and an extremely courageous two-headed rat. This is the third book in the Lovecraft Middle School series, and it begins right where Professor Gargoyle and The Slither Sisters ended—with more action, more adventure, and more creepy crawlies. You can find it at your local KDL Library.
