This book is about Michael Oher. Its based on his life and when he was a kid he was in poverty. He played basketball for a while then once he got older he started playing football. He became really good! When he was a kid he didn't have the best grades so they kept him from playing sports and once the teachers finally noticed that he needed sports, they let him play. Michael Oher played Left Tackle in football. Now you have to read the book to see if he can go to the NFL!
