

Miah Salmon Recommends:

**Title:** *The Colossus Rises*

**Author:** Peter Lerangis

**Genre:** Fantasy

I would recommend this book to someone liking ancient fantasy like atlantis but in the 21st century.

When Jack McKinley wakes up he finds a upside down v on the back of his head he thinks nothing, but when fall unconscious he is sent to the KI institute. When he figures out he has GW7, he will die before he is 14, and he is a royal atlantean decedent. The only way he can live if he finds the seven Loculi. When he solves a clue that a man named Wenders who claims he has seen the heart of atlantis he unleashes a terrifying beast that takes is friend. Now he must follow it across the ocean. Will he ever save

his friends, find the missing Loculi, and continue his life. To find out read *The Colossus Rises*.
