The Girl Who Was Supposed to Die

April Henry

Mystery

I recommend this book to someone who loves action and a real good mystery that needs to be solved.

Found in the library.

The girl who was supposed to die is about a girl, She doesn't know her name, age, family, all she knows is that she needs to run and hide. The girl then met a boy named Ty a worker in mcdonalds. He saw her sleeping and woke her up she went to the bathroom and washed her face she then heard to men come in and asked if they saw a girl like her. Ty knew he shouldn't tell them because they looked suspicious. He told them no he did not. Ty then took the girl to his house and she told him she did not know anything. They then began to look for her family. Will she find them, will she get answers about her life. Read the book to find out.
