Title: The long haul

Author: Jeff Kinney

Genre: Realistic Fiction

I recommend this book to a person who likes Funny and hilarious book and people who are interested in the Diary of a wimpy kid series.

In this book Greg Heffley is a boy who is going on a surprise trip to disney world. It already went south from there because 1 second later many starts balling because he loves going to his grandparents retirement home to play shuffleboard. So they compromised to go to their grandparents 1st then go to disney world. So they packed and they had packed twice as much stuff they could fit in there car. Once they actually put all the useful stuff in the car they headed for their destination. Greg got stuck in the back seat with all the other suitcases and junk. Will Greg have fun on this vacation? Will they make it back to there house safe and

sound or will something go wrong in their vacation? Read Diary of a wimpy kid long haul to find out.
