Theres a Boy in the Girls Bathroom

Louis Sachar

Realistic Fiction

I recommend this book to a person who likes a Funny, weird, and sad book.

In this book,there's a boy named Bradley who is pretty much the school bully, but also not in way...

The reason I say this is because he picks on kids so they pick on him back, so almost like reactive bullying. But anyway, He ends up meeting this counselor and he hates her at first but then as she gives him more advice, it really starts to help him. So will this counselor help Bradley Chalkers change or will he always be the kid no one likes? Also Will Bradley Chalkers soon start liking his new counselor, Carla Davis? Read the book to find out.
