

LOGAN REYNOLDS RECOMMENDS

THE SCHWA WAS HERE

NEAL SHUSTERMAN

REALISTIC FICTION

I recommend this book to a person who like events that could actually happen but don't really happen. It is found in Mrs. Belotes library.

In this book Calvin Schwa is a boy who is never noticed. He can walk into rooms without being seen and can do whatever he wants without getting into trouble because no one notices him. People call him the Schwa and he and his best friend go through many events together. Read it to find out how it's like being the Schwa.
