Vietnam: I Pledge Allegiance

By: Chris Lynch

Genre: Historical Fiction

I would recommend Vietnam: I Pledge Allegiance to somebody who likes stories of war and heroism. Found in the Library.

Best friends Ivan, Rudi, Beck, and Morris seem to have everything going right. Until Rudi (the weak runt) gets drafted into the USMC (United States Marine Corps). Morris, of course made them pledge that if one of them goes to Vietnam, they all go to Vietnam. Will Morris survive the Navy? Will he survive plain Vietnam? Read to find out.
