Title: When the Butterflies Came

Author: Kimberley Griffiths Little

Genre: Fantasy

When the Butterflies Came is a book about an 11 year old girl named Tara. This book is a fantasy and a mystery. This book is not in the school library but you could probably check at KDL for this amazing book.

Tara's favorite grandmother has just passed away and she is so depressed. After the funeral, she goes to stay at her grandmother's old mansion with her sister. At the mansion, things start to happen, things that she never expected. Tara keeps finding notes that her grandmother left for her. The notes are riddles to help her find

“the keys.” Will she answer the riddles, find the keys, and find the answer to the real mystery? Read this book to find out!
